

VERITAS ACADEMY OF TUCSON

2023-2024
SCHOOL PROFILE

2151 North Palo Verde Boulevard, Tucson, Arizona 85716 | (520) 576-0427 | www.vatucson.com

Our Community

Veritas Academy of Tucson is a Christian, classical, liberal arts, college-preparatory program. It cultivates wisdom and virtue through rigorous curricula, character/leadership education, fine arts, competitive athletics, and an array of other extra-curricular activities.

Veritas utilizes a classical curriculum modeled after the trivium. Students learn in three stages: Grammar (K-6), Logic (7-8) and Rhetoric (9-12). The subjects of math, science, history, and languages are prioritized throughout their education. Content is organized around the chronological study of historical time periods, while emphasizing the use of authentic literature throughout all three stages of the trivium.

Veritas opened in 2010 with grades K-5 and 24 students. Now, in our fourteenth year, we have grown to 208 students. The School of Logic opened in 2012, and the School of Rhetoric opened in 2014. Since 2019, we have graduated thirteen students, two with National Merit recognition. All nine graduates from the class of 2022 were awarded scholarship opportunities and have gone on to 4-year colleges and universities.

ACCREDITATION/CERTIFICATION

In 2018, Veritas applied for and received certification through University Model™ Schools International, and, in the spring of 2021, completed our accreditation with Christian Schools International (CSI) and Cognia.

GPA

A student's GPA will begin to accumulate on the official transcript in 9th grade and will include only year-end grades for Veritas coursework taken in grades 9-12. The GPA will not include grades for credits earned before 9th grade, for outside coursework approved for credit, or for approved transfer coursework. The official Veritas transcript will only show the Veritas GPA.

VERITAS GRADUATES' COLLEGE ACCEPTANCES

Arizona Christian University, Arizona State University, Baylor University, Biola University – Torrey Honors Institute, Cedarville University, Colorado Christian University, Grand Canyon University, Grove City College, Embry Riddle Aeronautical University, New Saint Andrews College, Patrick Henry College, Point Loma University, Northwest University, The Masters University, University of Arizona, University of Oklahoma, Wheaton College

Since 2019, the thirteen Veritas graduates have received scholarship offerings totaling over \$1.5 million. The nine graduates in the class of 2022 received scholarship offerings totaling over \$1.1 million.

NATIONAL MERIT RECOGNITION

1 National Merit Finalist, 1
Commended Student

STANDARDIZED TEST SCORES

SAT Average for the 2024 grads: 1248

ACT Average for the 2022 grads: 30

CLT Average for the 2024 grads: 86

STUDENT BODY

Enrollment (K-12)208
School of Rhetoric (9-12).....49

GRADING SCALE

A (4.0) = 90 - 100%

B (3.0) = 80 - 89%

C (2.0) = 70 - 79%

D (1.0) = 60 - 69%*

*Course credit is awarded only for courses passed with a grade of 70% (C) or higher.

PROFILE OF A GRADUATE

All students seeking a Veritas diploma must complete a Senior Thesis: a yearlong, independent research project culminating in a written report, with delivery and defense of the thesis before a panel of faculty judges at the end of the school year. Students are required to earn 26 course credits and fulfill 70 hours of community service prior to graduation. To receive a Veritas diploma, students must fulfill the following:

- Literature – 4 credits
- History – 4 credits
- Doctrine & Theology – 1 credit
- Math – 4 credits
- Science – 4 credits
- Foreign Language – 2 credits
- Rhetoric – 2 credits
- Fine Arts – 2 credits
- Christian Leadership – 1 credit
- Logic – 1 credit
- Government & Economics – 1 credit

Veritas utilizes a university-type schedule where students attend a mix of one, two and three-day-a-week classes; 1 credit is equal to a year-long course meeting 2.5 hours per week.

GRADUATION WITH DISTINCTION

To graduate with distinction, students must have:

- Minimum GPA of 3.5
- 12 Honors/Advanced credits
- Minimum 30 credits
(includes additional credit requirements for doctrine & theology, foreign language, rhetoric and Christian leadership)

HONORS COURSES

- Honors Literature (9-12)
- Honors History (9-12)
- Honors Doctrine & Theology (9-12)
- Honors Mathematics (9-12)
- Honors Science (9-12)
- Honors Latin (9-11)
- Honors French (10-11)
- Honors Spanish (10-12)
- Honors Rhetoric (10-12)

CLASSICAL CURRICULUM

The School of Rhetoric (grades 9-12) is the culmination of the trivium. In the rhetoric stage, students take all they have studied in the grammar and logic stages and then learn how to present themselves in a wise and winsome manner. The emphasis of all classes in the rhetoric stage are writing and speaking well.

AP COURSES

- AP Environmental Science
- AP Latin
- AP Computer Science Principles
- Honors/AP courses are weighted at +1(A=5.0).

CLASS RANKING

Veritas students are not ranked due to the nature of the University Model, our classical curriculum, and our unique, like-minded Christ-centered community, which inspires excellence amongst many of our students. We do not wish to create an atmosphere of competition, rather our academically challenging program results in many students graduating with exceptional qualifications.

CURRICULUM

WESTERN CIVILIZATION

Modern European History, Literature, Doctrine & Theology (9)
Classical World History, Literature, Doctrine & Theology (10)
Medieval History, Literature, Doctrine & Theology (11)
U.S. History, Literature, Doctrine & Theology (12)

SCIENCE

Biology
Chemistry
Physics
AP Environmental Science

WESTERN CIVILIZATION

Western Civilization courses are Great Books courses, a historically effective way to educate and create thinkers. Combining history, theology, and literature, these courses help students grow in their appreciation of the unity of all knowledge. Students move sequentially through historical time periods, repeating each period twice in grades 7-12. They study Modern European History & Literature (9th), Classical World History & Literature (10th), Medieval History & Literature (11th), and U.S. History & Literature (12th), reading over 100 of the Great Books of Western Civilization by graduation.

LOGIC

Veritas students take two years of formal logic, learning both deductive and inductive reasoning skills. As a science, logic identifies the rules that govern reason; and as an art it teaches us how we are to follow those rules. The Veritas student of logic will explore an expression of God's unchanging, orderly, truthful character. Students will improve reasoning skills and wield the very tools of learning. Students take Introductory Logic (8th) and Intermediate Logic (9th).

RHETORIC

Much of the classical tradition revolves around teaching students to speak and write what was true, good, and beautiful. Rhetoric students review sound reasoning skills and learn about clear communication from ancient masters of rhetoric (i.e. Aristotle, Cicero, Quintilian and Augustine) in Classical Rhetoric (10th). Then students focus on application in Rhetoric in the Modern World (11th). The capstone course, Senior Thesis (12th), is a culmination of all their learning. Students prepare an extensive paper on a topic carefully selected by them and agreed on with the instructor. They defend their positions orally before a panel of faculty judges at the end of the year.

LATIN

Veritas students begin learning Latin vocabulary in 1st grade and continue for nine years, through the completion of at least two credits toward their Veritas diploma (Latin II & III) and the completion of their study of Latin grammar. The study of Latin provides students a basis for study of primary sources and classical works, in addition to preparing them for further study in the romantic languages. Some students choose to continue the study of Latin, either taking Advanced Latin Translation or AP Latin.

MATH

The study of mathematics lends itself well to the trivium model. Students in the School of Grammar focus on learning and memorizing math facts. In the School of Logic, students explore mathematical equations and situations as statements of logic. Students in the School of Rhetoric use their understanding of mathematical concepts to explore how numerical, algebraic and graphical models relate. At Veritas, our focus is on the wonder of math and exploring God's ordered world. The program of study is as follows: ninth grade students study Geometry, tenth grade students study Algebra 2 and Trigonometry, and eleventh grade students study Precalculus. Seniors may take either Calculus or Statistics.

SCIENCE

The goal of science at Veritas is to learn more about God by observing His created natural and physical world, and to understand this world through research and experimentation. Science courses have labs woven throughout the coursework. In the School of Rhetoric, students will study Biology, Chemistry, Physics, and AP Environmental Science.

RHETORIC

Rhetoric I (Classical)
Rhetoric II (Modern, Speech & Debate)
Rhetoric III (Senior Thesis)

LANGUAGES

Latin I, II, III, IV, AP Latin
French I, II
Spanish I, II

MATH

Algebra I
Advanced Algebra I
Geometry
Algebra II & Trigonometry
Pre-Calculus
Calculus
Statistics

VISUAL & PERFORMING ARTS

Drawing I, Drawing II, Interior Design, Advanced Watercolor, Figure Drawing, Portrait Drawing, Sculpture, Printmaking, Yearbook, Choir, String Ensemble, Theater Performance

OTHER REQUIRED COURSES

Logic I & II
U.S. Government & Economics
Christian Leadership Courses (Apologetics, Christian Foundations, Biblical Exegesis, Worldviews)

OTHER ELECTIVES

Computer Science Applications
AP Computer Science Principles
Creative Writing
Speech & Debate

<i>The Holy Bible</i>
