

# OUR MISSION

Veritas Academy of Tucson exists to assist parents in their role of training children in the way they should go (Proverbs 22:6), raising them to love and glorify God and others (Mark 12:30-31) and to finish the race well (2 Timothy 4:7) by providing:

**TIME:** helping to preserve and strengthen the God ordained family relationship through the UMS model of education, offering resources and instruction to both children and parents. (Ephesians 6:4)

**TOOLS:** teaching children to think critically and creatively and achieve a high degree of academic excellence via classical curriculum; that they might grow in wisdom and stature and favor with God and man. (Luke 2:52)

**COMMUNITY:** creating a community of like-minded teachers, staff and families working together in unity to encourage one another to love and good deeds. (Hebrews 10:24-25)

# ABOUT US

## OUR FACULTY

Veritas faculty and staff are a community of believers who love the Lord, love learning, and love children. All of our faculty and staff are active in a local church and wholeheartedly agree with, genuinely live by, and willingly sign our Statement of Faith. In addition, teachers exhibit a mastery of the content they teach and share Veritas' vision of a Christian, Classical, University-Model® School.

## OUR STUDENTS

Classical education expects more from its students than a basic mastery of a set of subjects. It holds firm to the traditions of Western culture in viewing all subjects as inextricably linked, each in its way expressing some fundamental truth about God and the universe He created. Therefore, it seeks to provoke students to live out these truths.

## OUR CURRICULUM

**Christian:** Veritas Academy aims to help parents raise up life-long learners in the training and admonition of the Lord.

**Classical:** An approach to education that seeks to create a community of learning, characterized by academic rigor (vigor), warmth and delight and involving vibrant interactions of teachers, parents, friends, and others.

**University-Model®:** Students spend two to three days each week in the classroom and two to three days studying in their satellite classroom at home. The Parent Co-Teachers work under the guidance and supervision of Veritas and its campus teachers using Veritas curriculum and lesson plans.
