

Dear Parents,

In the following pages, you'll find the supply list for each class for the 2024-2025 school year. You may save money by not purchasing new items unless specified. In addition to the supplies listed on the following pages, all children will need a backpack. Many students, especially 3rd grade and above, have found using a backpack with wheels to be very helpful.

- **Please make sure you have paid the Resource Deposit before attending Paideia.**
 - This deposit is required for books and binders checked out to families and must be paid before you can pick up resources at Paideia. Each student has been invoiced through FACTS Management for a Resource Deposit of \$100 / student. This balance will be maintained by the school until your student either graduates or withdraws, at which time you will be refunded.
- Drop off the General Schoolwide Supplies listed in the table below during Paideia.

If you have any questions, please feel free to contact the office at 520-576-0427. We are looking forward to another excellent year of learning together!

Thank you,
Veritas Administration Team
